NAAN MUTHALVAN SKILL

In scad polytechnic college, we focus in the process of developing our students' talent and expertise. So, the designated trainers are implementing the Tamil Nadu government's Naan Mudhalvan initiative for the students. We started our naan mudhalvan sessions for final-year CSE department students today, and they are quite excited to come. The lessons were well-organized to help students enhance their communication abilities. It is really useful for pupils to get knowledge in a short amount of time. The trainer has spoken with the kids in a cheerful tone, and the students have behaved disciplined with them.
