SCAD Polytechnic College Conducts Skill Training for Students from Muslim Hr. Sec. School, Cheranmahadevi

On 04th December 2025, SCAD Polytechnic College organized a focused Skill Training Program for School Students at its campus, aimed at enhancing technical awareness among young learners. A total of 35 students from Muslim Higher Secondary School, Cheranmahadevi, actively participated in the training session.

The program was graced by Dr. S. John Kennedy, Director of Activities, SCAD Group of Institutions, and SCAD POLYTECHNIC College Principal, Mr. J. Monimaran, who encouraged the students to utilize such opportunities to build their technical competence and prepare for future career pathways. The training primarily covered fundamental topics including Basics of Electronics, Welding, and MS Office, offering students valuable insight into both technical and computer-based skills.

The session was effectively conducted by Mr. M. Arockia Raj, Senior Lecturer, Department of EEE, who guided the students through practical demonstrations and interactive discussions. This initiative reflects the institution's continuous commitment to skill-based education, community engagement, and empowering the next generation of learners.

SCAD Polytechnic College Hosts Multi-Sector Skill Training for First and Second-Year Students

SCAD Polytechnic College successfully conducted a comprehensive Skill Training Program on 04 December 2025, aimed at providing first and second-year students with practical exposure across multiple engineering disciplines. The training included sessions on Estimating & Costing and E-CAD Level 2 Simulation in the EEE department, enabling students to enhance their analytical and design capabilities.

Students also explored Arduino Programming in ECE, while CSE students developed their proficiency in Advanced C and Advanced HTML. The Mechanical department offered hands-on training in TIG/MIG Welding and Servicing of Two & Three Wheelers, building their technical competence and workshop skills.

The skill sessions were conducted by Mrs. Anitha, Mr. Umanod, Mr. Rameshmoorthy, Mr. Vinoth Selvakumar, Mr. Rasukutty, Mr. T. Kasimuthu, and Mrs. N. Suja, who ensured an engaging and productive learning environment.
