**FWIW**

abbr. "for what it's worth"; used to offer an opinion modestly.

*FWIW, I think you made the right choice.*

## SCAD Polytechnic College Organizes Comprehensive Skill Training Program for First and Second-Year Students

SCAD Polytechnic College successfully conducted a multi-disciplinary Skill Training Program on 18 December 2025 at the college campus, aimed at enhancing the technical knowledge and practical competencies of first and second-year students. The program was designed to provide hands-on exposure across various engineering departments, aligning academic learning with current industry requirements.

The Electrical and Electronics Engineering (EEE) department conducted advanced sessions on Simulation Level 2, Estimating & Costing, and E-CAD Level 2, enabling students to understand circuit analysis, project costing, and professional electrical drafting practices.

Students from the Computer Science and Engineering (CSE) department participated in training on Advanced C and HTML, which strengthened their programming skills and web development capabilities.

The Electronics and Communication Engineering (ECE) department offered practical sessions on Arduino Programming, introducing students to embedded systems and microcontroller-based applications. Additionally, the Mechanical Engineering department conducted hands-on training in TIG/MIG Welding, familiarizing students with modern welding techniques and workshop safety practices.

The program highlighted SCAD Polytechnic College's strong commitment to skill-based education and practical exposure.

### THOUGHT OF THE DAY

**"The future belongs to those who believe in the beauty of their dreams."**

— Eleanor Roosevelt

**SCAD Polytechnic College Conducts Intramural Athletics Meet for Men**

SCAD Polytechnic College successfully organized the Intramural Sports – Athletics (Track & Field Men) event on 18 December 2025 at the college campus. The event aimed to promote physical fitness, sportsmanship, and team spirit among students, while encouraging active participation in athletic activities alongside academic pursuits.

The athletics meet featured a variety of competitive events, including Long Jump, High Jump, Shot Put, Javelin Throw, and 1500 meters Running. Students enthusiastically participated in these events, showcasing their strength, endurance, agility, and athletic skills. The competitions were conducted in a well-organized and disciplined manner, ensuring fairness and safety for all participants. The entire event was efficiently coordinated by Mr. G. Anwar Raja, Physical Director, whose dedicated efforts and guidance contributed to the smooth conduct of the intramural sports meet. Faculty members and students actively encouraged the participants, creating an energetic and motivating atmosphere throughout the event.

The intramural athletics meet highlighted SCAD Polytechnic College’s commitment to holistic student development by fostering physical well-being, leadership qualities, and a healthy competitive spirit among students.
