**TRITE**

[traɪt]

adj. overused and lacking originality; cliché.

*His motivational speech was full of trite phrases.*

## SCAD Polytechnic College Hosts Placement Drive 2026 with HL Mando Anand India Pvt. Ltd.

SCAD Polytechnic College successfully organized the Placement Drive 2026 on 22 December 2025 at the college campus, providing final-year students with a valuable opportunity to secure employment in a reputed multinational organization. The recruitment drive was conducted by HL Mando Anand India Pvt. Ltd., Chennai, a leading company in the automotive manufacturing sector. A total of 40 students from the Mechanical Engineering, Electrical and Electronics Engineering (EEE), and Automobile Engineering departments actively participated in the placement drive. The selection process was designed to assess students' technical knowledge, problem-solving abilities, and readiness for industrial roles.

The participating students showcased strong enthusiasm, discipline, and technical competence throughout the recruitment process. The placement drive reflected the institution's continuous efforts to strengthen industry-institute interaction and enhance student employability. Faculty members and placement coordinators extended their support to ensure the smooth conduct of the event. This successful placement initiative highlights SCAD Polytechnic College's commitment to career-oriented education and its dedication to connecting students with leading industries for promising professional opportunities.

### SCAD Polytechnic College Green Club Organizes Tree Planting Programme to Promote Environmental Awareness

SCAD Polytechnic College, through its Green Club, organized a meaningful programme titled "Tree Planting and Its Importance" on 22 December 2025 at the college campus. The event aimed to create environmental awareness among students and encourage them to take responsibility for protecting nature and promoting sustainable practices.

The programme was graced by the Chief Guest, Mr. J. Monimaran, Principal, who emphasized the vital role of trees in maintaining ecological balance, improving air quality, and combating climate change. In his address, he encouraged students to actively participate in green initiatives and adopt eco-friendly habits in their daily lives.

As part of the event, saplings were planted within the campus, symbolizing the institution's commitment to a greener and healthier environment. Students enthusiastically participated in the plantation activity, gaining practical understanding of environmental conservation.

The programme was effectively coordinated by Mr. S. Jerontius, Lecturer, Science and Humanities Department, whose efforts ensured the smooth conduct of the event. The Green Club initiative reinforced SCAD Polytechnic College's dedication to environmental responsibility and sustainable development.

### Glimpses of Placement Drive

Academic Spotlight

**SCAD Polytechnic College Hosts Energy Conservation Awareness Programme in Collaboration with TNEB**

SCAD Polytechnic College organized an awareness programme on the Importance of Energy Conservation on 22 December 2025 at the college campus, in association with Tamil Nadu Electricity Board (TNEB) and the Department of Electrical and Electronics Engineering (EEE). The programme aimed to educate students about the responsible use of electrical energy and the need to conserve power for a sustainable future.

During the session, the resource persons from TNEB highlighted the growing demand for electricity and the challenges involved in power generation and distribution. The key message of the programme, "Save the Electricity", was emphasized through discussions on energy-efficient practices, reducing wastage, and adopting renewable energy sources. Students were encouraged to develop energy-saving habits both at home and in educational institutions.

The Department of EEE played an active role in organizing the programme, ensuring student participation and effective knowledge sharing. The event created awareness about energy conservation and inspired students to become responsible citizens who contribute towards efficient energy usage and environmental sustainability.

**SCAD Polytechnic College Conducts Personality Development Programme Through Guidance & Counselling Club**

SCAD Polytechnic College, through its Guidance & Counselling Club, successfully organized a programme on "Personality Development" on 22 December 2025 at the college campus. The event was conducted with the objective of enhancing students' self-confidence, communication skills, and overall personal growth, which are essential for academic success and future careers.

The programme was convened by Mr. J. Monimaran, Principal, who highlighted the importance of positive attitude, discipline, and self-awareness in shaping a successful personality. He encouraged students to focus on continuous self-improvement and ethical values in both personal and professional life.

The session covered various aspects of personality development, including effective communication, time management, leadership qualities, and emotional intelligence. Students actively participated in the programme and gained valuable insights into building a strong and confident personality.
