Naan Mudhalvan Training Program Engages First-Year Students

On 17th October 2025, SCAD Polytechnic College organized a Naan Mudhalvan Training Program exclusively for first-year students to strengthen their communication and creative thinking abilities. The session was conducted by Ms. S. Anisha, Ms. Emimmal, and Ms. Selsiya, professional English trainers from the Naan Mudhalvan Scheme, who engaged students through various interactive learning activities. Students from the Mechanical, ECE, EEE, and Computer Engineering departments actively participated in the training program.

The key highlights of the session included Picture-Based Story Creation, Memory Book Activity, Creative Writing, and Reflection Essay Exercises, all designed to improve imagination, language fluency, and expressive skills.

The trainers encouraged students to think innovatively and express their ideas confidently. The event served as a valuable platform to boost students' communication competence and creative writing abilities, aligning with SCAD Polytechnic College's vision of holistic student development through the Naan Mudhalvan initiative.

UPCOMING EVENTS

* **NAAN MUDHALVAN SKILL TRAINING PROGRAM FOR 1st YEAR MECH, EEE, ECE AND CSE STUDENTS**

OCT 24, 2025

"Don't think about the start of the race, think about the ending".

SCAD Polytechnic College Students Inspire Young Minds through School Skill Training Program

The School Skill Training Program was successfully conducted on 17th October 2025 at Kamarajar Higher Secondary School, Pettai. The event was organized with the objective of promoting technical awareness and hands-on learning among school students. Enthusiastic students from SCAD Polytechnic College actively participated, sharing their technical knowledge and demonstrating practical-oriented projects that captured the interest of the young learners. The interaction fostered curiosity and motivation among the school students to explore science and technology in depth. The event was efficiently coordinated by Mr. P. Shanmuganathan, Lecturer/Mechanical Engineering, and Mr. A. Arun Kumar, Lecturer/English, whose dedicated efforts ensured the program's success. The initiative served as a platform to bridge the gap between academic learning and practical application, inspiring future innovators.
