### **SCAD Polytechnic College Organizes Skill Training Programme for School Students**

SCAD Polytechnic College conducted a Skill Training Programme on 9th October 2025 at its campus, aimed at enhancing the technical and digital skills of school students. A total of 42 students from Government Higher Secondary School, Kalakkad participated in this enriching event. The Guest of Honor, Dr. S. John Kennedy, Director of Activities, SCAD Group of Institutions, addressed the gathering and emphasized the importance of acquiring practical skills to prepare for future technological advancements.

The training focused on the basics of Microsoft Office and AutoCAD design, providing students with hands-on experience to build their confidence in computer-based applications. The event was organized and coordinated by Mr. G. Anwar Raja, Physical Director, who ensured an interactive and engaging learning environment. This initiative reflected SCAD Polytechnic College's commitment to promoting early skill development and motivating young learners to explore opportunities in technology and design.
