## Academic Planning Meeting

A meeting was organized with all department HODs at SCAD Polytechnic College to discuss the upcoming semester coaching class plan and the exam question pattern, aiming to ensure effective academic preparation and student success.

Employability Skill

## Mock Interview for EEE Students

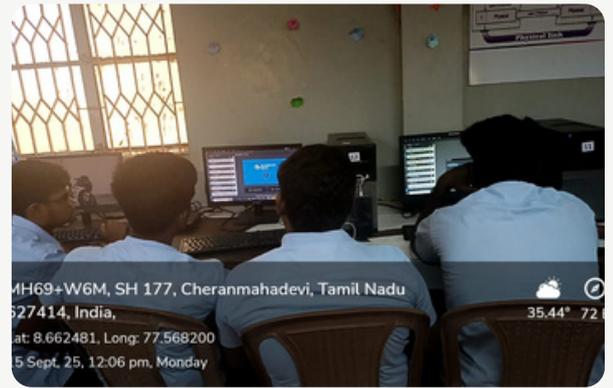

On 15th September, a mock interview session was successfully conducted for the final year EEE students at SCAD Polytechnic College. The event was coordinated by Mr. Jerontius and Mr. Arunkumar, who ensured the smooth execution of the program. Faculty members guided and corrected them, offering valuable feedback on communication, technical knowledge, and confidence. This initiative greatly enhanced the students' preparedness for upcoming placement opportunities.

## Naan Mudhalvan Empowers Civil Students with Practical Skills

SCAD Polytechnic College hosted the Naan Mudhalvan Skill Training Program for civil students on September 15, 2025. Ms. R. Kiruthikga from TANCAM delivered an engaging session on practical skills and estimating construction costs. The event, coordinated by Mr. Velselvan, Lecturer/Civil, provided students with valuable insights and hands-on experience. The program aimed to enhance students' industry readiness and employability. Students actively participated in the session, gaining essential skills and knowledge. Students from four other polytechnic colleges also participated in this program.

By participating in this program, students will gain valuable insights into the principles and methodologies of construction cost estimation, enhancing their employability and industry readiness. The program's focus on practical applications will enable students to develop a deeper understanding of the subject, preparing them for real-world challenges in the field of civil engineering. The event concluded with students expressing appreciation for the informative and interactive program.
