SCAD Polytechnic Hosts Internal Hackathon 2025

On 16th September 2025, SCAD Polytechnic College proudly organized the Internal Hackathon 2025 on its campus, providing an excellent platform for students to showcase their creativity, technical skills, and problem-solving abilities. The event brought together enthusiastic participants who worked on innovative ideas and demonstrated their talents through practical projects. The Hackathon was judged by an expert panel consisting of Mr. S. Jeyapandi, Administrative Officer, Dr. R. Karthik Ganesh, Professor from CSE, Mr. S. Pitchaiah, Associate Professor from ECE, and Dr. A. Ramakrishnan, Associate Professor from EEE.

Their valuable insights and constructive feedback encouraged the students to refine their ideas and think with a futuristic perspective.The event was coordinated by Mr. N. Prabu, Lecturer, Automobile Department, who ensured smooth planning and execution. This Internal Hackathon not only motivated students to innovate but also prepared them to compete at higher levels of technical challenges. It was truly a successful and inspiring event for the entire SCAD community.

Admission Meeting

A meeting was conducted to discuss admission plans, focusing on selecting 25 prominent schools for outreach. Faculty members in charge actively contributed, while all department HODs participated in discussions on effective model exam conduction and academic strategies.
