"SCAD Polytechnic College Hosts Naan Mudhalvan Training for II Mechanical Students"

On October 6, 2025, SCAD Polytechnic College successfully conducted a Naan Mudhalvan Training Program for the II-year Mechanical Engineering students at the college campus. The session was designed to provide students with industry-oriented knowledge and focused on the basics of additive manufacturing, an innovative technology that is transforming modern engineering practices. The training was delivered by Mr. C. Venugopal from CAD, TANCAM, who shared valuable insights on additive manufacturing concepts, applications, and its growing relevance in industrial sectors.

A total of 78 Mechanical Engineering students actively participated in the program, gaining a deeper understanding of 3D printing techniques and advanced manufacturing methods. The event was coordinated by Mr. M. Baskaran, Lecturer in Mechanical Engineering, who ensured the program's smooth execution and relevance to student learning. This training under the Naan Mudhalvan scheme reflects the institution's commitment to equipping students with cutting-edge skills and preparing them for future industry demands.

Academic Meeting

On 06.10.2025, an Academic Meeting was conducted at SCAD Polytechnic College with the participation of all department HODs. The discussion focused on model exam result analysis, highlighting student performance, subject-wise outcomes, and strategies for academic improvement.

SCAD Polytechnic Conducts Mock Interview for Final Year ECE Students

On 06.10.2025, SCAD Polytechnic College organized a Mock Interview session exclusively for the final year students of the ECE Department at the college campus. A total of four students actively participated in this skill-enhancing initiative. The session was effectively conducted by Mr. S. Jerontius, Lecturer in English, who guided the students through the process of handling interviews with confidence and clarity. The activity aimed to improve the students' communication skills, body language, and interview techniques, preparing them for upcoming placement opportunities. This event not only boosted the students' confidence but also gave them valuable insights into professional interview expectations. The management appreciated the initiative and encouraged students to make the best use of such training opportunities for career growth.
