Project Review Conducted at SCAD Polytechnic College

On 24th September 2025, SCAD Polytechnic College successfully organized a Project Review event at its campus. The program brought together students from various departments including Mechanical, Automobile, Civil, Computer Science, Electrical and Electronics Engineering (EEE), and Electronics and Communication Engineering (ECE), providing them with an excellent platform to present and refine their innovative project ideas. The review session aimed to encourage creativity, technical problem-solving, and interdisciplinary collaboration among the students. Faculty members and Heads of Departments played a vital role in guiding the participants.

The event was effectively coordinated by Mrs. Selvakalyani, HOD/EEE, Mrs. Selvi, HOD/CSE, Mrs. Malathi, HOD/ECE, Mr. Saravanan, HOD/Civil, Mr. Chithirai Sankar, HOD/Automobile, and Mr. Sanil Kumar, HOD/Mechanical.

The initiative highlighted the institution's commitment to fostering practical learning and industry-relevant skills among its students. The Project Review not only helped students gain valuable feedback but also motivated them to prepare for upcoming competitions, hackathons, and industry challenges.

Naan Mudhalvan Training for IInd Year CSE Students at SCAD Polytechnic College

On 24th September 2025, SCAD Polytechnic College hosted a Naan Mudhalvan Training session for 38 students from CSE and ECE departments. The program was led by Mrs. A. R. Dhamaa from the Naan Mudhalvan Scheme, focusing on resume creation and interview techniques. Coordinated by Ms. M. Ajantha, Lecturer in Physics, the session provided valuable guidance to boost students' career readiness and placement confidence.

Naan Mudhalvan Training for IInd Year ECE Students at SCAD Polytechnic College

On 24th September 2025, SCAD Polytechnic College organized a Naan Mudhalvan Training program exclusively for ECE students, with the participation of 72 students from SCAD, FX, and PSN Polytechnic Colleges. The session was conducted by Mr. John Benargin from VA Micro Systems under the Naan Mudhalvan Scheme. The training focused on PCB design and included a testing assessment exam, providing students with hands-on knowledge and industry-relevant skills. The event was effectively coordinated by Mrs. Regis Carlin, Lecturer in ECE, and received great appreciation from the participants for its practical and career-focused approach.

Naan Mudhalvan Training Program Engages First-Year ECE & CSE Students

On 24th September 2025, SCAD Polytechnic College successfully conducted a Naan Mudhalvan Training session for CSE students, with the participation of 76 students from SCAD Polytechnic and FX Polytechnic Colleges. The resource person, Ms. M. Rajeswari from Ingage Technologies Pvt. Ltd., provided detailed insights on information network and cabling. The session enriched students' understanding of networking systems, cabling methods, and their practical applications in the IT industry. The program was efficiently coordinated by Mrs. N. Suja, Lecturer in CSE, and received positive feedback from the participants for its relevance to industry demands and career readiness.

***"If its important to you,
you will find a way. If not,
you will find an excuse."***
