## **SCAD Polytechnic Students Gain Practical Insights through Industrial Visit to Koodankulam**

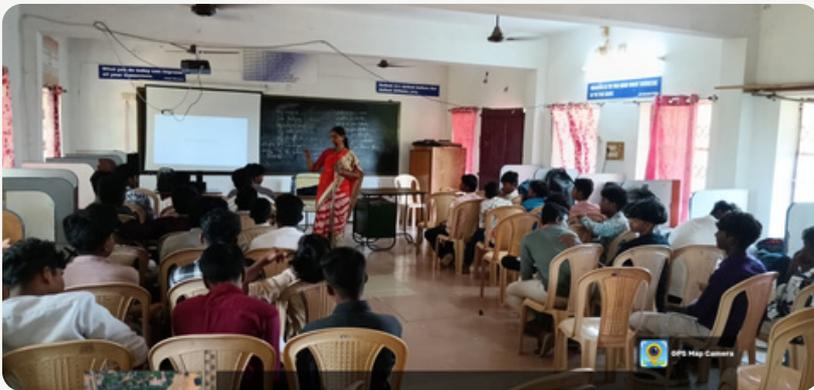

On 26th September 2025, SCAD Polytechnic College arranged an Industrial Visit to Koodankulam, Tirunelveli for its IIIrd Mechanical year students as part of its continuous effort to provide practical, industry-oriented education. The visit was coordinated by Mr. Deva Sahaya Jose, Lecturer/Mechanical, who ensured smooth execution and valuable learning for the participants. During the visit, students were given an in-depth understanding of the working process of the plant, enabling them to observe how theoretical concepts taught in classrooms are applied in large-scale industrial operations. They also learned about the critical importance of safety measures, which are mandatory in all industrial environments, particularly in facilities that demand high levels of precision and security.

In addition, the students were made aware of the requirements and standards expected in industries, helping them realize the skills and discipline needed to meet professional expectations. This industrial visit not only enhanced students' technical knowledge but also broadened their perspective on real-time engineering practices. It gave them the opportunity to interact with professionals, clarify their doubts, and gain insights into future career pathways.

The initiative reflected SCAD Polytechnic's commitment to blending academic learning with practical exposure, ensuring that students are well-prepared for the challenges of the professional world.

## Naan Mudhalvan Training Program Engages First-Year EEE Students

On 26th September 2025, SCAD Polytechnic College organized a Naan Mudhalvan Training program at its campus to enhance students' employability skills. The session was conducted by Mrs. A.R. Dhamaa, an experienced Naan Mudhalvan Trainer, who guided the students on crucial career development aspects such as job interview techniques, resume preparation, and covering letter writing. A total of 38 students from EEE department actively participated and gained valuable insights into professional readiness. The event was efficiently coordinated by Mrs. Gomathy from Department of Tamil, Ms. Preetha from Chemistry and Ms. Ajantha from Physics, ensuring smooth execution. This training highlighted the institution's commitment to preparing students for competitive career opportunities in the modern job market.

## SCAD Polytechnic Wins Chess Practice Match in IPAA Tournament Preparation

On 26th September 2025, a Chess Practice Match was organized as part of the IPAA Tournament at SCAD Engineering College. The match was held between SCADCET and SCAD Polytechnic, creating an engaging and competitive atmosphere. With sharp strategies and determined gameplay, the students of SCAD Polytechnic emerged as the winners of the practice match, showcasing their talent and preparation for the upcoming tournament.

The event was well-coordinated by Mr. Anwar Raja, Physical Director, who ensured smooth conduct of the match and encouraged the players to give their best. The practice session not only boosted the confidence of the Polytechnic team but also highlighted the spirit of sportsmanship between the two institutions. This victory served as a motivation for SCAD Polytechnic's players as they continue their journey toward success in the IPAA Chess Tournament.

## THOUGHT OF THE DAY

***"Live as if you were to die tomorrow. Learn as if you were to live forever."***
