BE BULLHEADED

['bʊl|hɛd.ɪd]

adj., stubborn and unwilling
to change one's mind

*He's too bullheaded to admit
he was wrong.*

Skill Training Programme Conducted for First Year Students at SCAD Polytechnic College

On 04.02.2026, SCAD Polytechnic College successfully conducted a Skill Training Programme for First Year Students at its campus. The programme was organized with the objective of strengthening students' technical foundation and enhancing their practical skills at the early stage of their academic journey. The training sessions covered important and industry-relevant topics from different departments. Students from the Electrical and Electronics Engineering (EEE) department were trained in Estimating & Costing, E-CAD Level 2, and Simulation Level 2, enabling them to gain deeper knowledge of design analysis, cost evaluation, and advanced simulation techniques.

In addition, students from the Electronics and Communication Engineering (ECE) department received hands-on training in Electronic Circuit Design, focusing on circuit development, analysis, and real-time applications.

The programme was handled by experienced faculty members who guided the students through practical demonstrations and interactive sessions. The training helped students understand core concepts beyond textbooks and motivated them to develop technical competence and confidence. The event concluded successfully, reinforcing SCAD Polytechnic College's commitment to providing quality skill-based education and preparing students for future academic and professional challenges.

Cancer Awareness Program Conducted at SCAD Polytechnic College

SCAD Polytechnic College organized a Cancer Awareness Program on 04.02.2026 at its campus with the aim of educating students and staff about cancer prevention, early detection, and healthy lifestyle practices. The program emphasized the importance of awareness as a key factor in reducing the risks associated with cancer and improving survival rates through timely diagnosis.

The event was graced by the presence of Dr. K. Shanthi, MBBS, DGO, Chief Medical Officer, and Dr. Meenalochani, BDS, Dental Doctor, as the Guests of Honor. Both the medical professionals delivered informative and engaging sessions highlighting the common types of cancer, warning signs, preventive measures, and the role of regular health check-ups. They also addressed myths related to cancer and encouraged participants to adopt healthy habits such as balanced nutrition, regular exercise, and avoidance of tobacco and alcohol.

The interactive session allowed students to clarify their doubts and gain valuable insights directly from healthcare experts. The program concluded with a vote of thanks, reinforcing SCAD Polytechnic College's commitment to promoting health awareness and social responsibility among its academic community.
