abbr. "for what it's worth"; used to offer an opinion modestly.

FWIW, I think you made the right choice.

UPCOMING EVENTS

SKILL TRAINING FOR 1ST YEAR AND IIND YEAR STUDENTS.

JAN 07, 2026

"None can destroy iron, but its own rust can. Likewise, none can destroy a person, but their own mindset can."

—Mr.RATAN TATA

SCAD Polytechnic College Organizes Skill Training Program to Enhance Technical Skills of First-Year Students

SCAD Polytechnic College conducted an intensive Skill Training Program for first-year students on 06 January 2026 at the college campus, with the aim of strengthening technical foundations and promoting hands-on learning across multiple engineering disciplines. The programme was designed to expose students to industry-relevant tools and practical applications at an early stage of their academic journey. The training covered a wide range of topics, including Advanced C Programming and Advanced HTML, which helped students improve their programming logic, problem-solving abilities, and web development skills. Practical sessions on ARC & Spot Welding and CNC Programming provided valuable exposure to fabrication techniques and automated manufacturing processes used in modern industries.

In addition, students received training in AutoCAD 2D and 3D Modelling, enabling them to develop skills in technical drawing, component visualization, and digital design.

The sessions encouraged active participation and practical understanding through real-time demonstrations.

The programme reflected SCAD Polytechnic College's strong commitment to skill-based education, preparing students with essential technical competencies and confidence to meet future academic and industrial challenges.

*Academic Spotlight***SCAD Polytechnic College Records Successful Placements in Placement Drive 2026 with CCC Ltd., Chennai**

SCAD Polytechnic College successfully conducted the Placement Drive 2026 on 06 January 2026 at the college campus, offering valuable career opportunities to its final-year students. The recruitment drive was organized in collaboration with Consolidated Construction Consortium Ltd. (CCC Ltd.), Chennai, a reputed organization in the construction and infrastructure sector.

Students from the Civil Engineering Department actively participated in the placement process, which included technical evaluation and assessment of practical knowledge relevant to the construction industry. As a result of their consistent performance and strong technical skills, four students from the Civil Engineering department were successfully selected by the company.

The achievement highlights the students' dedication, discipline, and industry-oriented training provided by the institution. The management, faculty members, and placement cell congratulated the selected students and wished them success in their professional careers.

This successful placement drive reflects SCAD Polytechnic College's continuous efforts to strengthen industry-institute interaction and enhance employability among students through quality education and focused skill development.

**SCAD Polytechnic College Students Participate in IPAA State Level Handball Tournament at Pudukottai**

SCAD Polytechnic College students actively participated in the IPAA State Level Handball Tournament, which was held on 06 January 2026 at Sudharsan Polytechnic College, Pudukottai. The prestigious state-level tournament brought together talented handball players from various polytechnic institutions across Tamil Nadu, providing a competitive platform to showcase sporting excellence and team spirit.

The students of SCAD Polytechnic College demonstrated commendable enthusiasm, discipline, and sportsmanship throughout the tournament. Their participation reflected strong physical fitness, coordination, and dedication to sports alongside academic commitments. Competing at the state level offered valuable exposure and experience, motivating students to further enhance their athletic skills.

The team's participation was effectively coordinated by Mr. Vandimalayan, Physical Director, whose guidance and encouragement played a crucial role in preparing the students for the tournament. His continuous support ensured disciplined training and confident participation.

***"If its important to you,
you will find a way. If not,
you will find an excuse."***
