SKILL DEVELOPMENT PROGRAM AT SCHOOL

Academics and skill are important factors in learning at SCAD Polytechnic College. For the purpose of equipping the students with employability skills, various skill development activities are conducted on the college's premises and at schools. Today (21/02/2023), 18 students from all the departments conducted project expos and skill training for school students at St. Paul's Hr.Sec. School, Singamparai. From the 6th, 7th, 9th, and 11th grades, a total of 300 students attended the skill development program. Students from our college explained about their industrial applied lab projects and demonstrated how we can manufacture an LED bulb at minimum cost. They also made the school students manufacture the bulb.
