CORRESPONDENT VISIT

Respected correspondent madam, Mrs. Augusty Priyadharshini, visited our SCAD Polytechnic College today (24/02/2023) at 10 a.m. She did a complete campus visit; she visited all the classrooms and all the labs. She inquired about the difficulties and problems that need to be rectified in the lab and classrooms. Staff requested some of the equipment that our institution lacks, and the correspondent madam said she would make the necessary arrangements.

AWARENESS PROGRAM FOR STUDENTS

Today (24/02/2023), at our SCAD Polytechnic College, an awareness program for students in the III-year Mechanical Department took place. Dr. S. John Kennady, Director of Admission and Activities/SCAD Group of Institutions, was the chief guest for the program. He talked on the topic of "The Inferiority Complex." He talked about some valuable characteristic features one should develop to overcome the inferiority one has. He said that self-confidence is important in our lives to achieve great success. His talk was motivational, and it inspired every student.

SKILL TRAINING FOR SCHOOL STUDENTS

Today (24/02/2023) also, our SCAD Polytechnic College has organized a skill training program for students from St. Paul's High School in Singamparai on our campus. A total of 97 students from the 9th grade attended the skill training program. The in-charges of the EEE and ECE departments gave them training on Basic Electronics and Electric Circuits. The students actively listened to them. A felicitation also took place at the end of the skill training program. Dr. S. John Kennady, Director of Admission and Activities, SCAD Group of Institutions, was the chief guest. He addressed the students and asked some questions on the basis of the skill training they underwent, and he gave prizes to the winners.

SKILL DEVELOPMENT PROGRAM AT SCHOOL

Academics and skill are important factors in learning at SCAD Polytechnic College. For the purpose of equipping the students with employability skills, various skill development activities are conducted on the college's premises and at schools. Today (24/02/2023), 18 students from all the departments conducted project expos and skill training for school students at Govt. Hr. Sec.School, Kallidaikurichi. From the 6th, 7th, 9th, and 11th grades, a total of 350 students attended the skill development program. Students from our college explained about their industrial applied lab projects and demonstrated how we can manufacture an LED bulb at minimum cost. They also made the school students manufacture the bulb.
