SKILL TRAINING PROGRAM FOR SCHOOL STUDENTS

Academics and skill are important factors of learning at SCAD Polytechnic College. For the purpose of equipping the students with employability skills, various skill development activities are conducted on the college's premises. Today (27.01.2023), a skill-training programme was conducted for school students. Mrs. V. Jeba Sheeba, Lecturer/Physics (SPC-0117), organised the program. 142 students from GHSS, Kalakkad attended the program, and at its end, they gave their feedback. Students were given trainings in Welding practise, Computer basics, Projector, CCTV and Printer Installation, Solarcell, Multimeter and Basic Building plans in AutoCAD, and on the basis of the trainings, a test was conducted and prizes were awarded. The valedictory function was followed by the skill training program, which was felicitated by Dr.S.John Kennady, Director of Admission and Activities/SCAD Group of Institutions, and Mr. J. Monimaran, Principal/SCAD Polytechnic College.
