## CELEBRATION OF NATIONAL TECHNOLOGY DAY

SCAD Polytechnic College celebrates every technical day. Today, May 11, is National Technology Day. This day commemorates India's successful nuclear tests that were conducted on May 11th, 1998, at Pokhran, Rajasthan. It is a day to celebrate the achievements of Indian scientists and engineers who have contributed to the development of technology in various fields. National Technology Day was celebrated at our college, and Mr. Manoseh R. (Assistant Vice President, Regional Head, Nagercoil) was the chief guest for the event. Third-year students from all departments participated, and Mrs. Selvi, Lecturer/CSE, was the event coordinator
