MEETING REGARDING ADMISSION

At SCAD Polytechnic College, monthly review meetings are conducted to check all the activities of the college. Today (15/05/2023) a meeting was conducted by Dr. John Kennady, Director of Admission and Activities/SCAD Group of Institutions, regarding admissions for the academic year 2023. He checked about the admissions, how many students have been admitted for the academic year 2023 so far. He asked about the progress in admissions and the various methods our college is undertaking regarding admissions.
