ONE TO ONE INTERACTION (04.11.2023)
With First Year students

ONE TO ONE INTERACTION

Interaction with students helps to find out their problems, and staff members rectify them as soon as possible. It helps our students progress in their studies. Today(04.11.2023), one-to-one interactions were conducted by the principal and all department HODs for our first-year students. They shared their difficulties and were given advice.

MEETING - APPLIED LAB

The Applied lab at our college works for the betterment of students. These lab incharges help students participate in various technical and non- technical events. Monthly review meetings are conducted by the applied lab incharges to discuss every month's plans. Today (04/11/2023), an applied lab meeting was conducted. All departmental applied lab incharges attended the meeting; they discussed the previous month's activities. In this meeting, they talked about the upcoming competitions and how they could make students participate in them.
