## **MEETING - ADMISSION**

At our SCAD Polytechnic College, monthly review meetings are conducted to check all the activities of our college. Today (15/11/2023) a meeting was conducted by Mr.Anwar raja, Physical Director, regarding admissions for the academic year 2024. He asked about the various methods our college is undertaking regarding admissions for 2024. In this meeting it was discussed to conduct a talent test and talent hunt for school students. Skill training for school students are going on and he asked about the progress of these training programs.
