In our SCAD Polytechnic College, we conduct staff meetings frequently to discuss the current status of academics and various other activities we conduct at our college. During these meetings, the progress we achieved and the activities we are planning to improve the college profile and students life are also the major topics of discussion. Today(16/11/2023), a staff meeting was conducted by the Principal. In this meeting, the staff members were advised by the principal to visit schools to improve admission in the academic year of 2024. The staff members were advised to plan all the academic activities for the upcoming semester and do all of it as per the academic calendar.
