## SCHOOL STUDENTS SKILL TRAINING PROGRAM

**Skill-based training is an essential component of workforce development in today's fast-paced and ever-changing job market. By offering training programs, organizations can improve productivity, efficiency, employee satisfaction, and competitiveness in the job market. On November 18, 23rd, our staff members Mr. S. Suresh and Mr. S. Ramesh Moorthy, along with their lab assistant, visited Sivanthi Matriculation Higher Secondary School to conduct skill trainings for the students. The students in classes 8 and 9 received instruction in welding, solar panel vehicles, and sodium vapor lamps. Around 200 students benefited from all of these skills.**

## ONLINE PARENT-TEACHER INTERACTION

The parents-teacher meeting is the key component in education because parents get an opportunity to connect with the teachers and discuss about the academic progress of their child and to develop strategies to support their child's learning ability.

In order to ensure the welfare of the students and to inform them of their activities, our faculty member Mr.T.Kasimuthu from the CSE department conducted an online Parents-Teachers interaction today for CSE III year students.
