MANDATORY SKILL TRAINING FOR II YEAR - DAY 01

Skill development helps students get better jobs by improving existing skills or learning new ones. This includes improving communication skills, problem-solving skills, making better decisions in their life, and also in their working place. Our SCAD polytechnic College gives much importance to every student and helps them in all aspects of learning. Learning various skills helps students get better campus placements. Today (02/08/2023), mandatory skill training for II year students started. All department skill incharges conducted the training programme for students.

>> The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. To train the students of each college, the government selected staff members from each college and training is provided for them. Today (02/08/2023), is the third day for this training. Our staff members Mrs. Selvi from the department of CSE, Mrs. Suja from the department of EEE attended the training. For the CSE Department, our staff got training on the topic - Industrial Metaverse at PSN Polytechnic College. For the EEE department, our staff got training on the topic - IOT and its Applications at MSPVL Polytechnic College. >>>>>

MEETING WITH EDC COORDINATOR

>>>>>

In our SCAD Polytechnic College, we make sure that every student is highly motivated and equipped with the knowledge to work in an organization and become an entrepreneur. The Entrepreneur Development Cell of our college arranges webinars and seminars frequently. Today (02/08/2023), our principal, Mr. J. Monimaran, EDC incharge, Mr. Kasimuthu and Mr. Venkatesh, HOD/I Year, had a meeting with Mr. Shanmuga Mariappan, Coordinator, EDC HUB Zone 5, GPTC, Tuticorin. In this meeting, it was discussed that EDC seminars should be organized regularly for the first-year students to raise awareness among them. This meeting ended with a plan to conduct an EDC seminar on 07/08/2023, by Mr. Shanmuga Mariappan.
