Skill development helps students get better jobs by improving existing skills or learning new ones. This includes improving communication skills, problem-solving skills, making better decisions in their life, and also in their working place. Our SCAD polytechnic College gives much importance to every student and helps them in all aspects of learning. Our college provides skill training to students because learning them helps students get better campus placements. Mandatory skill training for II year students was started in our college. Today(07/08/2023), is the fourth day for this skill training. All department skill incharges conducted the training programme for students.

## EDC- AWARENESS PROGRAMME FOR FIRST YEARS

In our SCAD Polytechnic College, we make sure that every student is highly motivated and equipped with the knowledge to work in an organization and become an entrepreneur. The Entrepreneur Development Cell of our college arranges webinars and seminars frequently. Today (07/08/2023), an EDC seminar was conducted for first-year students to raise awareness among them Mr. Shanmuga Mariappan, Coordinator, EDC HUB Zone 5, GPTC, was the Chief Guest and Resource person for this event. He talked to the students on how one can do innovations and can start a business. He gave the students some ideas for startups. He interacted with the students and clarified the students' doubts regarding startups. The resource person motivated all the students to do better in life and come up with innovative ideas for becoming entrepreneurs. This event was organized by EDC incharge of our college, Mr. T. Kasimuthu, Lect/CSE.

## TECHNICAL WRITTEN TEST

Placement is an important factor in the successful completion of any course. It is the dream of every student to get placed in top companies or organizations. Our SCAD Polytechnic College gives much importance to academics as well as placement. Here, the staff members, along with the management, help every student achieve placement. Today (07/08/2023), as a part of placement training for all final year students, a Technical Written test was conducted by the placement incharges of all departments. Each and every final year students from all departments attended the test.

## INTRAMURAL SPORTS

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance in our college. Today (07/08/2023), an intramural Carom, Badminton and Table Tennis competition were conducted. Students from all departments participated in this match. The winner of Carom is Blue House (Mechanical Department) and the runner up is Orange House (Auto & CSE Department). The winner of Badminton is Green House (ECE & Civil Department) and the runner up is Red House (EEE Department). The winner of Table Tennis is Red House (EEE Department) and the runner up is Blue House (Mechanical Department).
