

PLACEMENT TECHNICAL WRITTEN TEST

Placement is an important factor in the successful completion of any course. It is the dream of every student to get placed in top companies or organizations. Our SCAD Polytechnic College gives much importance to academics as well as placement. Here, the staff members, along with the management, help every student achieve placement. Today (10/08/2023), as a part of placement training for all final year students, a Technical Written test was conducted by the placement incharges of all departments. Each and every final year students from all departments attended the test.

SCADPOLY

Skill development helps students get better jobs by improving existing skills or learning new ones. This includes improving communication skills, problem-solving skills, making better decisions in their life, and also in their working place. Our SCAD polytechnic College gives much importance to every student and helps them in all aspects of learning. Our college provides skill training to students because learning them helps students get better campus placements. Mandatory skill training for II year students was started in our college. Today(10/08/2023), is the seventh day for this skill training. All department skill incharges conducted the training programme for students.

10.08.2023

INTRAMURAL SPORTS (BALL BADMINTON)

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance in our college. Today (10/08/2023), an intramural Ball Badminton match was conducted. Students from all departments participated in this match. The winner is Blue House (Mechanical Department) and the runner up is Green House (ECE & CIVIL Departments). Mr. Anwar Raja, Physical Director conducted this match.
