

NSS - DRUG AWARENESS PROGRAMME

The NSS unit of our SCAD Polytechnic College plays a vital role in creating awareness among our students about various issues related to present life. The NSS incharge along with government officials conduct awareness programmes for students. Today (11/08/2023), SCAD College of Engineering and Technology together with SCAD Polytechnic College held an event **PROMISE AGAINST DRUGS** at SCADCET Auditorium. Mr. I. Ramesh, Divisional Excise Officer and Mr. Subakumar, DSP, Cheranmahadevi were the Chief guests for this event. They talked about the harmful effects of drug usage and advised each of the students not to fall in the clutches of drugs. The event ended with a pledge against Drugs. Students from SCADCET and our college participated and promised that they will not use drugs.

Skill development helps students get better jobs by improving existing skills or learning new ones. This includes improving communication skills, problem-solving skills, making better decisions in their life, and also in their working place. Our SCAD polytechnic College gives much importance to every student and helps them in all aspects of learning. Our college provides skill training to students because learning them helps students get better campus placements. Mandatory skill training for II year students was started in our college. Today(11/08/2023), day - 08 for this skill training programme. All department skill incharges conducted the training programme for students.
