**Skill development helps students get better jobs by improving existing skills or learning new ones. This includes improving communication skills, problem-solving skills, making better decisions in their life, and also in their working place. Our SCAD polytechnic College gives much importance to every student and helps them in all aspects of learning. Our college provides skill training to students because learning them helps students get better campus placements. Mandatory skill training for II year students was started in our college. Today(14/08/2023), day - 10 for this skill training programme. All department skill incharges conducted the training programme for students.**

## INTRAMURAL SPORTS - CRICKET

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance in our college. On 12/08/2023, an intramural CRICKET match was conducted. Mr. Anwar Raja, Physical Director conducted this match. The winners of this intramural match were Red House (EEE department) and the runners were Blue House (Mechanical department).
