

## NAAN MUDHALVAN SKILL TRAINING FOR III YEAR STUDENTS

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Our College Computer Engineering III Year students attended a skill training program at FX Polytechnic College, Tharuvai. Third-year ECE Department students attended a skill training program at our college. 170 students attended this training course. They were given training in two sessions, in the morning and afternoon, on the topics of industrial metaverse and PCB design.

## INTRAMURAL SPORTS - VOLLEYBALL

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. Today (21/08/2023), an intramural VOLLEYBALL match was conducted. Mr. Anwar Raja, Physical Director conducted this match. The winners of the match are Blue House (Mechanical Department) and the runners are Red House (EEE Department).
