

NAAN MUDHALVAN SKILL TRAINING FOR III YEAR STUDENTS

DEPARTMENT OF CSE
NAAN MUDHALVAN
Skill Training Program - III Year Students

TOPIC INDUSTRIAL METAVERSE

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Our College Computer Engineering III Year students attended a skill training program at FX Polytechnic College, Tharuvai. Third-year CSE Department students attended a skill training program at our college. 140 students attended this training course. They were given training in two sessions, in the morning and afternoon, on the topics of Industrial Metaverse.

SEMINAR FOR ALL DEPARTMENTS

Seminars provide students with alternative perspectives and opinions about their respective field of studies. The resource persons give students various aspects of a definite topic and they usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges guest lectures and seminars in every academic semester.

Today (22/08/2023), all the six departments conducted seminars for students as different sessions. For the students of ECE and CSE, the seminar was on the topic Develop an Application for Ordering Food Online and Generating Invoice using Java, Online Bus Ticket Booking Using Java and Career Opportunities in IT Sector.

INTRAMURAL SPORTS - HANDBALL

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. Today (22/08/2023), an intramural HANDBALL match was conducted. Mr. Anwar Raja, Physical Director conducted this match. The winners of the match are Red House (EEE Department) and the runners are Blue House (Mechanical Department).
