The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (24/08/2023), III year students of the EEE Department attended this skill training program at our college. 80 students attended this training course. They were given training in two sessions, in the morning and afternoon, on the topic of IOT and Its Applications.
