Webinars and Seminars provide students with alternative perspectives and opinions about their respective field of studies. Webinars give students various aspects of a definite topic and they usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges webinars and seminars in every academic semester. On (29/08/2023), the Maths Club conducted a webinar. Mrs. Muthu Sudar Oli, Abacus teacher, was the resource person. He taught the students on the topic "Abacus Activity". Students actively participated in the webinar. Mrs.Ponlatha, Lecturer/Maths coordinated this event.

IPAA DIVISIONAL LEVEL KHO-KHO TOURNAMENT

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. In our college students are encouraged to participate in sports and are given proper practicing time to go for various competitions. Today (29/08/2023), IPAA Divisional Level Kho-Kho Tournament for South Zone was conducted at PACR Polytechnic college, Rajapalayam. Our college team became runners up in this Tournament. Mr. Anwar Raja, Physical Director guided the students.

NAAN MUDHALVAN SKILL TRAINING PROGRAM

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (29/08/2023), Naan Mudhalvan Skill Training was given for III year students. 80 students of III year EEE Department attended this skill training program on the topic of IOT and Its Applications. III year CSE students attended this training on the topic Industrial Metaverse.
