PANEL BOARD WIRING

Skills training can help to reduce unemployment and underemployment, boost productivity, and raise living standards. Investing in people's upskilling or reskilling for future jobs makes economic sense. As our college is particularly concerned about skill trainings, the necessary skills begin today, 7.12.23, for all second year students.

SKILL TRAINING PROGRAM

for **FIRST YEAR STUDENTS**

SKILL TRAINING(DAY 01) - I YEAR STUDENTS

C PROGRAMMING

ENGLISH COMMUNICATION

Skill trainings give an individual with the opportunity and information to build and reinforce the necessary abilities to achieve, maintain, and grow in a selected sector. From today, we are providing C-programming and communication English skills to all first-year students.
