MANDATORY SKILLS FOR
SECOND YEAR STUDENTS

14.12.2023

DAY - 06

MANDATORY SKILL (DAY 06) - II YEAR STUDENTS

Our college required second-year students to learn a skill. This skill-building activity enthralled the students. Competence is essential nowadays, thus the trainer focused on technical abilities that students will benefit from. This programme taught students a wide range of abilities, the majority of which were technical in nature, and our students are now on their fifth day of training.

ENGLISH COMMUNICATION

www.scadpoly.ac.in

Our institution focuses on students' speaking abilities; we offer a Spoken English skill programme for first-year students to assist them develop their speaking abilities. The students graciously attended the programme because English is a worldwide language. Our college students took part in group discussions, reading, and writing assignments. They can swiftly improve their public speaking skills with this curriculum. Spoken English trainer worked relentlessly to help pupils enhance their English speaking ability. Our pupils have completed the fifth day of skill development.
