MENTORS MEETING

In our SCAD Polytechnic College, we take on all the responsibilities of each student. For that, some of the faculties are selected as mentors. Every mentor takes the time to get to know each student, the challenges they are facing, and how to help them overcome their difficulties and they help them to participate in various competitions and internship training. Today (05/07/2023), a common meeting for all the mentors was conducted. In this meeting, the student action plan was discussed and the duties of a mentor were assigned. The mentors were asked to meet each student individually and collect all the data and dates regarding Student Action Plan (SAP), within a week of time.
