ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS

SCAD Polytechnic College always gives the most importance to students and their well being. Here in our college Orientation programmes are conducted to familiarize the students to both the academic and social aspects of our institution as they are having a transition from high school. It enables them to make essential connections with studies and develop networks among other students. Today (12/07/2023), two sessions of orientation programme were conducted for the students of first year Automobile, Civil, CSE and ECE departments. Dr. John Kennady, Director Admission and Activities/ SCAD Group of Institutions interacted with the students. He talked about the inferiority complex and how one can overcome it. He conducted a quiz and presented small gifts to students.
