**Social awareness is important for students as it makes them knowledgeable about what is happening around them and helps them be sympathetic and empathetic towards the people around them. Our SCAD Polytechnic college considers it, and we usually conduct awareness programmes for students. Today, (18/07/2023), an awareness programme about Dengue and Tobacco was conducted by the Department of Public Health and Preventive Medicines for all first-year students in the evening.**

## ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS

SCAD Polytechnic College always gives the most importance to students and their well being. Here in our college Orientation programmes are conducted to familiarize the students to both the academic and social aspects of our institution as they are having a transition from high school. It enables them to make essential connections with studies and develop networks among other students.

Today (18/07/2023), an orientation programme was conducted for the students of the first year EEE department. Dr. John Kennady, Director Admission and Activities/ SCAD Group of Institutions interacted with the students. He talked about the inferiority complex and how one can overcome it. He conducted a quiz and presented small gifts to students.
