

## EDUCATIONAL TOUR & INDUSTRIAL VISIT

The students of diploma courses are going to work in any industry or other organisation after the completion of their course. As a part of their curriculum, industrial visits are included because they give students a glimpse of the actual workplace, including workstations, plants, assembly lines, machines, and systems, as well as the chance to speak with highly qualified and experienced staff. Each department of our SCAD Polytechnic College arranges industrial visits and educational tours. Today (21/07/2023), the department of EEE has arranged an industrial visit for the second year students. They visited Suzlon Infrastructure Pvt. Ltd., Petharengapuram, Aralvaimozhi.

## ENTREPRENEUR DEVELOPMENT CELL - WEBINAR

Seminars and Webinars help students gain wide knowledge about their particular field and other important life skills. In our SCAD Polytechnic College, we make sure that every student is highly motivated and equipped with the knowledge to work in an organization and become an entrepreneur. The Entrepreneur Development Cell of our college arranges webinars and seminars frequently. Today (21/07/2023), a webinar was conducted on the topic - Funding Opportunities for Early Stage Entrepreneurs. Mr. M. Bharath ME is the resource person for the event. All the department students and staff attended this webinar, and Mr.Prabhu, Lecturer/Mech, was the event coordinator.
