

BLOOD DONATION CAMP

Donating blood saves lives; it's an act of selfless service to save lives. Conducting Blood donation camps and other activities of this kind increases the helping nature of students. Today (24/07/2023), A Blood Donation and Blood Identification camp was conducted at our SCAD Polytechnic College. Students above the age of 18 and staff members volunteered to donate blood. Dr. Punitha Ranjitham, Medical Officer, is the chief guest; she came along with her team members. She talked about the importance of donating and explained the students' doubts regarding blood donation. She appreciated the blood donors of our college, and our principal, Mr. J. Monimaran, received the certificate on behalf of our college.

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. To train the students of each college, the government selects staff members from each college and provides training for them. Today (24/07/2023), staff members Mr. Velselvan from the department of Civil, Mr. Deva Sahaya Jose from the department of Mechanical & Automobile and Mr. Suresh from the ECE department attended the training. For the Civil Department, our staff got training on the topic - Building, Information, and Modelling at ASA Polytechnic College. For the Mechanical department, our staff got training on the topic - Industry A.O. and Its Application in the Manufacturing Industry at GPT. For the ECE department, the training was on the topic - Printed Circuit Board Design.
