

## DRONE WORKSHOP

Seminars, workshops, and presentations are extremely beneficial to students because they enable them to evaluate, stay up-to-date on current events, comprehend concepts, and build their network. It helps the students develop a new skill set for their future. Our SCAD Polytechnic always prefers the best for students' lives. Today (26/07/2023), a two-day Drone Workshop was started at our campus by Entudio Pvt. Ltd., for III year students. Mr. Keerthik Kumar S, Embedded Developer, Mr. Mahakrishnan T, Managing Director and Mr. Mohamed Nowfal Ariq M, Chief Technical Officer from Entudio Pvt. Ltd., were the resource persons.

## COMMON ASSEMBLY

Every Wednesday, a common assembly is conducted for Staff and Students at our SCAD Polytechnic College. It goes well with prayer, the principal's address, and honoring the students who have achieved in different fields in the assembly. Today (26/07/2023), a common assembly for students and staff was conducted. A third-year student from the EEE department shared his experiences and feedback about Unnathi training, the Naan Mudhalvan skill, which he underwent for the past thirty days. A student from the II-year EEE department shared his experience about an Industrial Visit, which they went on last week. On 24/07/2023, there was a Blood donation camp at our campus. Students and Staff voluntarily donated blood. Today, they were honoured and issued certificates for their selfless service. The principal appreciated the blood donors, and he also appreciated the students who shared their experiences. He advised the students to behave properly on campus and to learn well.

## NAAN MUDHALVAN SKILL TRAINING - FOR FACULTY

NAAN MUDHALVAN

FACULTY DEVELOPMENT PROGRAM

(24 JULY 2023 - 28 JULY 2023)

DAY-03

GOVERNMENT  
POLYTECHNIC COLLEGE,  
NAGERCOIL

SRI KRISHNA  
POLYTECHNIC COLLEGE,  
NAGERCOIL

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. To train the students of each college, the government selects staff members from each college and provides training for them. Today (26/07/2023), is the third day for this training. Our staff members Mr. Velselvan from the department of Civil, Mr. Deva Sahaya Jose from the department of Mechanical & Automobile and Mr. Suresh from the ECE department attended the training. For the Civil Department, our staff got training on the topic - Revit software training at ASA Polytechnic College. For the Mechanical department, our staff got training on the topic - Industry A.O. and Its Application in the Manufacturing Industry at GPT. For the ECE department, the training was on the topic - Printed Circuit Board Design.
