LECTURER, EEE

Guest lectures provide students with alternative perspectives and opinions about their respective field of studies. The guest lecturers give students various aspects of a definite topic and they usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges guest lectures and seminars in every academic semester. Today (27/07/2023), the department of EEE conducted a guest lecture. Mr. P. Kailasamoorthy, Assistant Engineer, TNEB Cheranmahadevi. He taught the students on the topic - Energy Conservation. Students actively participated in the seminar, they raised their doubts and it was clarified by the resource person. Mr. S. Ramesh Moorthy, Lect/EEE coordinated this event.

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. To train the students of each college, the government selects staff members from each college and provides training for them. Today (27/07/2023), is the fourth day for this training. Our staff members Mr. Velselvan from the department of Civil, Mr. Deva Sahaya Jose from the department of Mechanical & Automobile and Mr. Suresh from the ECE department attended the training. For the Civil Department, our staff got training on the topic - Revit software training at ASA Polytechnic College. For the Mechanical department, our staff got training on the topic - Industry A.O. and Its Application in the Manufacturing Industry at GPT. For the ECE department, the training was on the topic - Printed Circuit Board Design.

NIGHT (SPECIAL) SOFT SKILL TRAINING

26 JULY 2023 - Day 03

Skill development in education supports students' holistic development in many ways. The skill courses help them achieve placements at highly reputed companies. Our SCAD Polytechnic College gives importance to both academics and skill courses. On (26/07/2023), a special skills training was conducted for the lateral entry students in the evenings. The skill training was given from the basics; today the course was on MS Office, and it was taken by Mr. T. Kasimuthu, Lect/CSE.
