

## TREE PLANTING CEREMONY

### Tree planting ceremony

JULY 28, 2023

SCAD POLYTECHNIC  
CAMPUS

The NSS unit of our college does selfless activities for the betterment of people. We organize meetings on every important national and international day and do some activities. The National Tree Plantation Day is on 29/07/2023. To celebrate this occasion today (28/07/2023), a tree plantation was organized at our campus. 200 plant saplings were planted by 200 first-year students. Mr. Gunaseelan, Forest Ranger, Ambasamudram, was the chief guest. Dr. John Kennady, Director Admission and Activities, SCAD Group of Institutions, and Mr. Thambidurai, General Manager, SCAD Campus, also attended the programme. Mr. Gunaseelan, gave a talk about the importance of tree plantations and also about saving trees. The guest of honor also planted trees with the students.

Guest lectures provide students with alternative perspectives and opinions about their respective field of studies. The guest lecturers give students various aspects of a definite topic and they usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges guest lectures and seminars in every academic semester. Today (28/07/2023), the department of ECE conducted an Online guest lecture. Mrs. C. Poornalekha, AP/ECE, VV Engineering College, was the resource person. She taught the students on the topic - IOT. Students actively participated in the seminar, they raised their doubts and it was clarified by the resource person. Mrs. Malathi, HOD/ECE coordinated this event.

### INDUSTRIAL VISIT - MECH & AUTO (III YEAR)

The students of diploma courses are going to work in any industry or other organization after the completion of their course. As a part of their curriculum, industrial visits are included because they give students a glimpse of the actual workplace, including workstations, plants, assembly lines, machines, and systems, as well as the chance to speak with highly qualified and experienced staff. Each department of our SCAD Polytechnic College arranges industrial visits and educational tours. Today (28/07/2023), the department of Mechanical Engineering and the department of Automobile Engineering have arranged an industrial visit for the third year students. They visited Vimal Plastics Pvt. Ltd., Sidco Industry, Pettai. Mr. M,Baskaran, Lect/Mech and Mr. Thirumalaikumar, Lect/Mech have arranged this industrial visit.

40 YEARS  
SCADPOLY

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. To train the students of each college, the government selects staff members from each college and provides training for them. Today (28/07/2023), is the fourth day for this training. Our staff members Mr. Velselvan from the department of Civil, Mr. Deva Sahaya Jose from the department of Mechanical & Automobile and Mr. Suresh from the ECE department attended the training. For the Civil Department, our staff got training on the topic - Revit software training at ASA Polytechnic College. For the Mechanical department, our staff got training on the topic - Industry A.O. and Its Application in the Manufacturing Industry at GPT. For the ECE department, the training was on the topic - Printed Circuit Board Design.

## ALUMNI INTERACTION

Cheranmahadevi, Tamil Nadu, India

MH79+69C, SCAD College Road, Cheranmahadevi,

Our SCAD Polytechnic College maintains close contact with each and every current and past student. Alumni interactions are organized frequently, the alumni share their experiences at the campus and in their current working environment. The programme's aim was to share the various job opportunities they have in the department they are studying. Today (28/07/2023), Mr. K. Bhuvanesh, one of our alumni from the Mechanical Department, interacted with our current students about skill development. He is currently working in Renaults Nissan Pvt. Ltd., Chennai. He shared his experience and motivated the students towards their goal. At the end of the session, there was an interactive session with the alumni answering various queries raised by the students.
