

NAAN MUDHALVAN SKILL TRAINING FOR III YEARS

The Tamilnadu Naan Mudhalvan Scheme was started in our SCAD Polytechnic College, today (15/06/2023). The main objective of this scheme is to identify, train and offer career and academic guidance to talented students in educational institutions. Through this scheme, students of Tamil Nadu will be able to get training that will help them in achieving their career goals.

Other than that through this scheme, the standard of living of students will also improve. Today two batches of students attended the program which was scheduled as three sessions in the morning session and in the afternoon session. The sessions were conducted as introduction, Assembly & Moral values, Spoken English, Sixerclass and Life Skills and it was helpful for the students.
