ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS

An Orientation programme aims to introduce students to both the academic and social aspects of an institution as they transition from high school. In our SCAD Polytechnic College, we give importance to every fresher and make them familiar with the college atmosphere. For that purpose, we organize orientation programmes for them.

Today (22/06/2023), two sessions of orientation were conducted in the morning and in the afternoon.

Dr.V.Rajalakshmi, HOD/Management Studies, attended the students, and she gave her talk on the topic, Managing Oneself to be Successful. She detailed in her lecture how one can manage their time and achieve great things in life. Mrs. Mary Shiny, Counsellor/SCAD Campus, was also a resource person. She addressed the students on the topic General ethics. She conducted some games and activities that relaxed the students, and her class was an interactive session. The students actively attended the classes and gave their feedback at the end of each session.
