

EDC MEETING

The Entrepreneurship Development Cell of our college works for the betterment of students. This cell incharges helps students to get wide knowledge about various startups. Monthly review meetings are conducted by the EDC incharges to discuss every month's plans. Today (07/10/2023), a meeting was conducted by the Principal. All department EDC incharges attended the meeting; they discussed the previous month's activities and also analyzed the feedback. In this meeting, they talked about the upcoming events and how they could make students participate in them.
