

COMMON ASSEMBLY

Every Wednesday, a common assembly is conducted for Staff and Students at our SCAD Polytechnic College. It goes well with prayer, flag hoisting, the principal's address, and honoring the students who have achieved in different fields in the assembly. Today (11/10/2023), a common assembly for students and staff was conducted. Principal addressed the students and advised the students to behave properly on campus and to learn well. In the IPAA Divisional Football and Badminton tournament, our college students became the runners and they were also honored with prizes today in the assembly. Various Competitions certificates are also distributed. Principal congratulated every achiever and advised other students to achieve and excel in academics and other activities.

NAAN MUDHALVAN SKILL TRAINING FOR STUDENTS

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Today(11/10/2023), at our college, I Year ECE and CSE Department students got this skill training in the morning and afternoon sessions. II Year Mechanical, Automobile and Civil Department students also got this skill training in the morning and afternoon sessions, on the topics of Employability Skills. III Year Mechanical Engineering students attended a skill training program. They were given training in two sessions, in the morning and afternoon, on the topics of Industry 4.0.

PLACEMENT INTERACTION SESSION
Department of EEE

PLACEMENT INTERACTION SESSION

Placement is an important factor in the successful completion of any course. It is the dream of every student to get placed in top companies or organizations. Our SCAD Polytechnic College gives much importance to academics as well as placement. Here, the staff members, along with the management, help every student achieve placement. Today (11/10/2023), our college Principal, Mr. J. Monimaran, interacted with final year EEE Department students regarding placement opportunities. He advised every student to excel in academics and achieve better placements. He talked with them about the industrial visits he has gone on and explained all about industrial experiences.
