ALUMNI INTERACTION

Our SCAD Polytechnic College maintains close contact with each and every current and past student. Alumni interactions are organized frequently, the alumni share their experiences at the campus and in their current working environment. The programme's aim was to share the various job opportunities they have in the department they are studying. Today (27/10/2023), M.Sheik Mydeen , one of our alumni from the EEE Department, interacted with our current students about skill development and job opportunities in the IT field and in other Software industries. He is currently working in IWave Systems Ltd., Bangalore. He shared his experience and motivated the students towards their goal. At the end of the session, there was an interactive session with the alumni answering various queries raised by the students.
