Placement is an important factor in the successful completion of any course. It is the dream of every student to get placed in top companies or organizations. Our SCAD Polytechnic College gives much importance to academics as well as placement. Here, the staff members, along with the management, help every student achieve placement. To conduct campus interviews at our college, placement incharges of our college visit companies to submit proposals.

NAAN MUDHALVAN SKILL TRAINING PROGRAM

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (01/09/2023), Naan Mudhalvan Skill Training was given for III year students. III year EEE Department students attended this skill training program on the topic of IOT and Its Applications. III year CSE students attended this training on the topic Industrial Metaverse.

IPAA DIVISIONAL LEVEL BALL BADMINTON TOURNAMENT

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. In our college students are encouraged to participate in sports and are given proper practicing time to go for various competitions. Today (01/09/2023), IPAA Divisional Level Ball Badminton Tournament for South Zone was conducted at PET Polytechnic college, Valliore. Our college team became third runners up in this Tournament. Mr. Anwar Raja, Physical Director guided the students.
