The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (04/09/2023), Naan Mudhalvan Skill Training was given for III year students. III year ECE Department students attended this skill training program on the topic of PCB Design.

PRACTICE MATCH (SCAD POLY VS NELLAI CRICKET CLUB)

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. In our college students are encouraged to participate in sports and are given proper practicing time to go for various competitions. On (02/09/2023), a practice match between our college team and Nellai Cricket Club team students was conducted. Mr. Anwar Raja, Physical Director guided the students.
