

GUEST LECTURE

Guest lectures, webinars and seminars provide students with alternative perspectives and opinions about their respective field of studies. Guest Lectures give students various aspects of a definite topic and the resource persons usually clarify students' doubts. In our SCAD Polytechnic College, each department arranges guest lectures, webinars and seminars in every academic semester. Today (08/09/2023), Mrs. Anitha, Lecturer/EEE department has arranged a guest lecture on the topic of "Creating Industrial Awareness". Mr.S.Maharajan, was the resource person. He talked with the students about industrial experience. He clarified students' doubts regarding the topic and gave details about career opportunities.

NAAN MUDHALVAN SKILL TRAINING PROGRAM

The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our college was selected as the center for this Naan Mudhalvan Skill Training Program. Today (08/09/2023), Naan Mudhalvan Skill Training was given for II-year Mechanical, Civil and Automobile Department students as two sessions on the topic of "Speed Maths, Number Systems".
