The Naan Mudhalvan is an initiative begun by the government of Tamil Nadu that focuses on improving students' skills. The main objective of this scheme is to identify, train, and offer career and academic guidance to talented students in educational institutions. Through this scheme, the standard of living for students will also improve. Our College, III Year - Computer Engineering students attended a skill training program at FX Polytechnic College, Tharuvai. They were given training in two sessions, in the morning and afternoon, on the topics of Industrial Metaverse.

PERSONALITY DEVELOPMENT PROGRAM BY GILLETTE

A student's personality, his/her appearance plays an important role in achieving a good career and his/her appearance gives a good impression to the society. We, at our SCAD Polytechnic College, provide all facilities for our students to get enough knowledge about everything. Today (19/09/2023), a Flagship Program on the topic - "Kar Lo SAFALTA muththi mein". Through this event, the employees of Gillette gave our students tips about personality development. All the students from each department attended this programme.

Being involved in sports teaches students various interpersonal skills such as patience, communication, leadership, punctuality, accountability, teamwork, trust, and others which will help students not only to win a particular sports competition but also grow and achieve success in life. In our SCAD Polytechnic College, Academics and Sports are given equal importance. Today (19/09/2023), an intramural BASKETBALL match was conducted. Mr. Anwar Raja, Physical Director conducted this match. The winners of the match are Red House (EEE Department) and the runners are White House (I Year).
